

## **SOLDIER FOR A DAY**

### **Work Study Program - Information**

The Army Reserve in BC has been offering a work study program in various forms since 1996. In that time, over 1000 students from various secondary schools in the Lower Mainland and Fraser Valley have participated in this program. Many Students come back to participate in the program a second time and it has become a favourite event for participating instructors.

#### **WHAT IS SOLDIER FOR A DAY**

The Soldier for a Day 6 1/2 hour work study program will show students how a soldier in the Army Reserve is trained and what they do when they are working for the Canadian Armed Forces. Students will be given the opportunity to be given basic instruction in Marching, Weapons, Individual Kit, Rappelling, Communication Systems, Basic Field Skills, Chemical defence, Engineering Displays, and Technical Trades. They will also get a closer look at the educational and job opportunities offered by some of Fraser Valley and Lower mainland Army Reserve units. These units include:

- The British Columbia Regiment
- The 15th Field Artillery Regiment
- The 39th Combat Engineer Regiment
- The Seaforth Highlanders of Canada
- The Royal Westminster Regiment
- 39 Signals Regiment

The program is designed to be a fun way for students to gain work experience hours while learning more about the role of the Army Reserve both here in Canada and around the world.
