

I want to be a:

# Music Producer (Sound Engineer)

---

## Characteristics

These are the traits & skills that make a good Music Producer

- Communication
- Computer skills
- Manual Dexterity
- Problem Solving

## Education - What do I need?

- Complete a college diploma program (2 years)
- There are a variety of public and private schools that offer this program, you will need to research what type of music they focus on to ensure a good fit for you
- Many programs expect student to know how to read music prior to starting
- Computer and technology high school level classes prove to be very useful

Starting salary is typically around \$29,000 per year

## Similar, but different

- Recording Engineer
  - Mixer or DJ
  - Studio Technician
  - Film and Video Editor
  - Broadcast Technician
-
